Hi! I'm Eduardo. I'm eleven years old. My birthday is in January. It usually snows for my birthday. It's very cold! I'm from the USA and live in Memphis.

I love music and my favourite music is rock and roll. I love the Rolling Stones! They're my favourite band!

I get up at seven o'clock every day and I have breakfast. Then I go to school. I like school! My favourite subjects are History and Science. I have Science on Wednesdays and Fridays and History on Mondays and Thursdays. I have lunch at school and go home at half past three.

After school, I do my homework and play video games with my brother David.

On Saturdays I watch TV or go to the cinema with my friends.

Tell me about you!

XOXO
Edu
