Richmond Primary Readers

Go Up! is a dynamic three-level course for primary school children. It features English language learning through the engaging stories, songs, chants, games and hands-on activities. The topics, themes and activities are carefully selected to enable children to explore their worlds and experiment with an emphasis on social structural learning activities. All songs, stories and culture lessons are accompanied by fun videos and the focus on CLIL and relevant connections helps give children a broader learning experience.

English on the Go! is a brand new series for upper primary schools and private language schools. Using students at the centre of the learning process and developing subject knowledge as well as social and emotional skills. Students are consistently encouraged to work both in printed and digital pedagogical resources in an integrated manner, magnifying learning opportunities and fostering their autonomy. The variety applies active learning principles and gives teachers the tools they need to act as protagonists in their communities and in the 21st-century world.

Target A2 Key for Schools & Target B1 Preliminary for Schools prepare students for the “For Schools” Cambridge English Qualifications A2 Key and B1 Preliminary. Essential exam practice, tips and strategies are combined with fun, communicative activities, ensuring lessons are varied and engaging – and that students are ready for the exam!
Go Up! is a dynamic three-level course for primary school children. It teaches English language learning through a blend of listening, speaking, reading, and writing activities. The course is designed to increase children's social and emotional capabilities, and develop an awareness of their community and the world in which they live. The materials strive to make learning enjoyable and fun, fostering a love for learning and a desire to use English in daily life.

English on the Go! is a brand-new series for upper primary schools and private language schools. It is designed for students at the upper levels of language development. It focuses on developing critical thinking skills and allows students to work with both printed and digital pedagogical resources in an integrated manner, which helps to increase learning opportunities and fosters their autonomy. This series applies active learning principles and gives students the tools they need to act as protagonists in their communities and in the 21st-century world.

Target A2 Key for Schools & Target B1 Preliminary for Schools are preparatory courses for the A2 Key and B1 Preliminary Cambridge English Qualifications. Essential exam practice, tips, and strategies are combined with fun, communicative activities, ensuring lessons are varied and engaging - and that students are ready for the exam!
English on the Go! is a brand new series for upper primary schools and private language schools.
